Wolwehoek Classic Silhouette Competition 20 to 22 November 2025

After an intense amount of work cutting grass, skoffeling and rebuilding dirt bunds, we were ready for the hosting of the last metallic silhouette competition of the SAMSSA calendar; the Wolwehoek Classic. Big thanks to Jeniffer for the new flags on the .22 rang and to Pieter Fourie who fabricated and install the new stainless-steel brackets for the flags.

We had a total of 30 entries, 139 events with 6255 shots being fires in calibres ranging from .177 air guns to 308 Winchester, with a host of calibres in-between.

The weather tried hard to disrupt us, but we only experienced a slight impact on the Thursday afternoon from about 15:00 until 15:45, just enough to cause us the don rain gear and break out the umbrellas to do target setting on two occasions. The rain also hampered grass cutting on the long gun rang which was scheduled for that afternoon, leading to a slight delay to proceeding (sighting-in prior to the match starting) because we had to trim the grass/weed off of the top of the respective backstops of the .22 handgun ranges. Also, because we had built a drain into the road/dam wall leading to the 500m back stop, which prevented the buildup a water in the fley between the 300m and the 500m rails; we did not get stuck in the mud. We also put out the targets

for the 500m and 385 (Rams and turkeys respectively) on the Wednesday afternoon (a good bit of risk mitigation if I say so myself).

Once again, all participants enjoyed themselves, some shooting personal bests and some shooting the coveted breakpoints qualifying them for trials for the SA team to participate in the IMSSU world championships next year.

Anso spence once again spoiled us with good food and exceptional service coming out to the respective ranges to take our order and then to deliver the freshly made sandwiches to the ranges so we were not disturbed by having the run back and forth from the rang to the clubhouse etc. The food was indeed delicious and well received by those of us who indulged, to those who did not get to taste Anso's food, you missed out; make a point of it next shoot.

We tried to hold a bit of a prizegiving after the shooting on Saturday, it was not so well attended, but had all the scores captured in time for us to read out to those who remained, and to congratulate each were appropriate (some missed these proceeding because they were still shooting some fun stuff down on the long gun rang; Leason learned, no events to start after 13:00 on the Saturday, this will mean that only two full 40 shot events (A and B detail as well as on the half detail) can the shot.

Attached are the overall event score for all participants.
